

ADDENDUM TO
UNION SQUARE BUSINESS IMPROVEMENT DISTRICT ("BID")
VIDEO SURVEILLANCE SYSTEM USAGE POLICY & PROCEDURES
("USAGE POLICY")

This Addendum modifies the Usage Policy currently in effect.

The BID is commencing, on April 1, 2017, and continuing through June 30, 2017, a temporary pilot program of live overnight monitoring of certain of the installed video surveillance cameras subject to the Usage Policy (the "Pilot Program").

The Pilot Program is intended to assess the utility of monitoring of the security cameras between the hours of 1:00am and 6am. The BID and its agents and representatives do not warrant the Pilot Program as an insulation against crime, nor does the BID represent that it will monitor all cameras or detect all unlawful acts, or that the Pilot Program will be successful in preventing criminal acts or apprehending criminals either in the act or after the commission of criminal acts.

This Addendum does not modify any other aspect of the Usage Policy, including without limitation all disclaimers and limitations of liability, except as expressly set forth herein.
